书面表达(25 分)

Dear Chris,

I'm the monitor of the club of calligraphy. Li Hua. I'm writing to inform you of the calligraphy lesson takes place in the next week.

The lesson begins at 2.p.m. on the next Friday, but you need to come half an hour earlier. In addition, you should come to the Central Hall, the one that is smaller. The lesson will last for 4 hours, so you should let your parents know in advance.

What's more, you must bring your pens. We will offer whatever needed else. And don't forget one thing: happiness!

I can't wait* to receive your reply!

Yours,

Li Hua
